HOW TO READ THIS CATALOGUE

Every SKU lists OEM references, MOQ, indicative FOB price band, unit weight and the vehicle generations it was tooled for. Prices are starting points for negotiation, not a quotation.

NEED A PART THAT IS NOT HERE?

We develop moulds in-house. Send a photo, OEM number or drawing and our engineering team will confirm feasibility, tooling cost and lead time.

WHAT TO INCLUDE IN YOUR RFQ

- 1. **Part list** — names, OEM references or photos; any order is fine.
- 2. **Quantities** — per item, plus monthly volume if you reorder regularly.
- 3. **Destination** — port or door address, and preferred incoterm.
- 4. **Specification** — finish, colour codes, packing and certification needs.

DOCUMENTS WE PREPARE

Commercial invoice	Destination-specific, with HS codes and packing list.
Packing list	Carton counts, dimensions, gross/net weights per SKU.
Certificate of origin	CCPIT-issued CO / Form E where applicable.
E-MARK test reports	E4 / E11 lighting documentation on request.
SABER / PVoC	Pre-shipment conformity for Saudi Arabia and African markets.
Bill of lading	Original / telex release, forwarder coordination.

Send your RFQ — quoted within 24 hours.
